Dear Families, Staff and Children,

We had lots of happy faces around the community last week as we welcomed the glorious rain. Just as the rain nourishes and cleanses the earth so are we through God's Son, Jesus. Surely the most beautiful verse in the Bible is John 3:16: "For God so loved the world, He gave his only son Jesus, that He might die so we can have eternal life. During Lent we are especially working towards being the face of God to others, just as Jesus is the face of God to us.

It is SWIMMING WEEK so please make sure your children come to school with a change of clothes, towel and footwear.

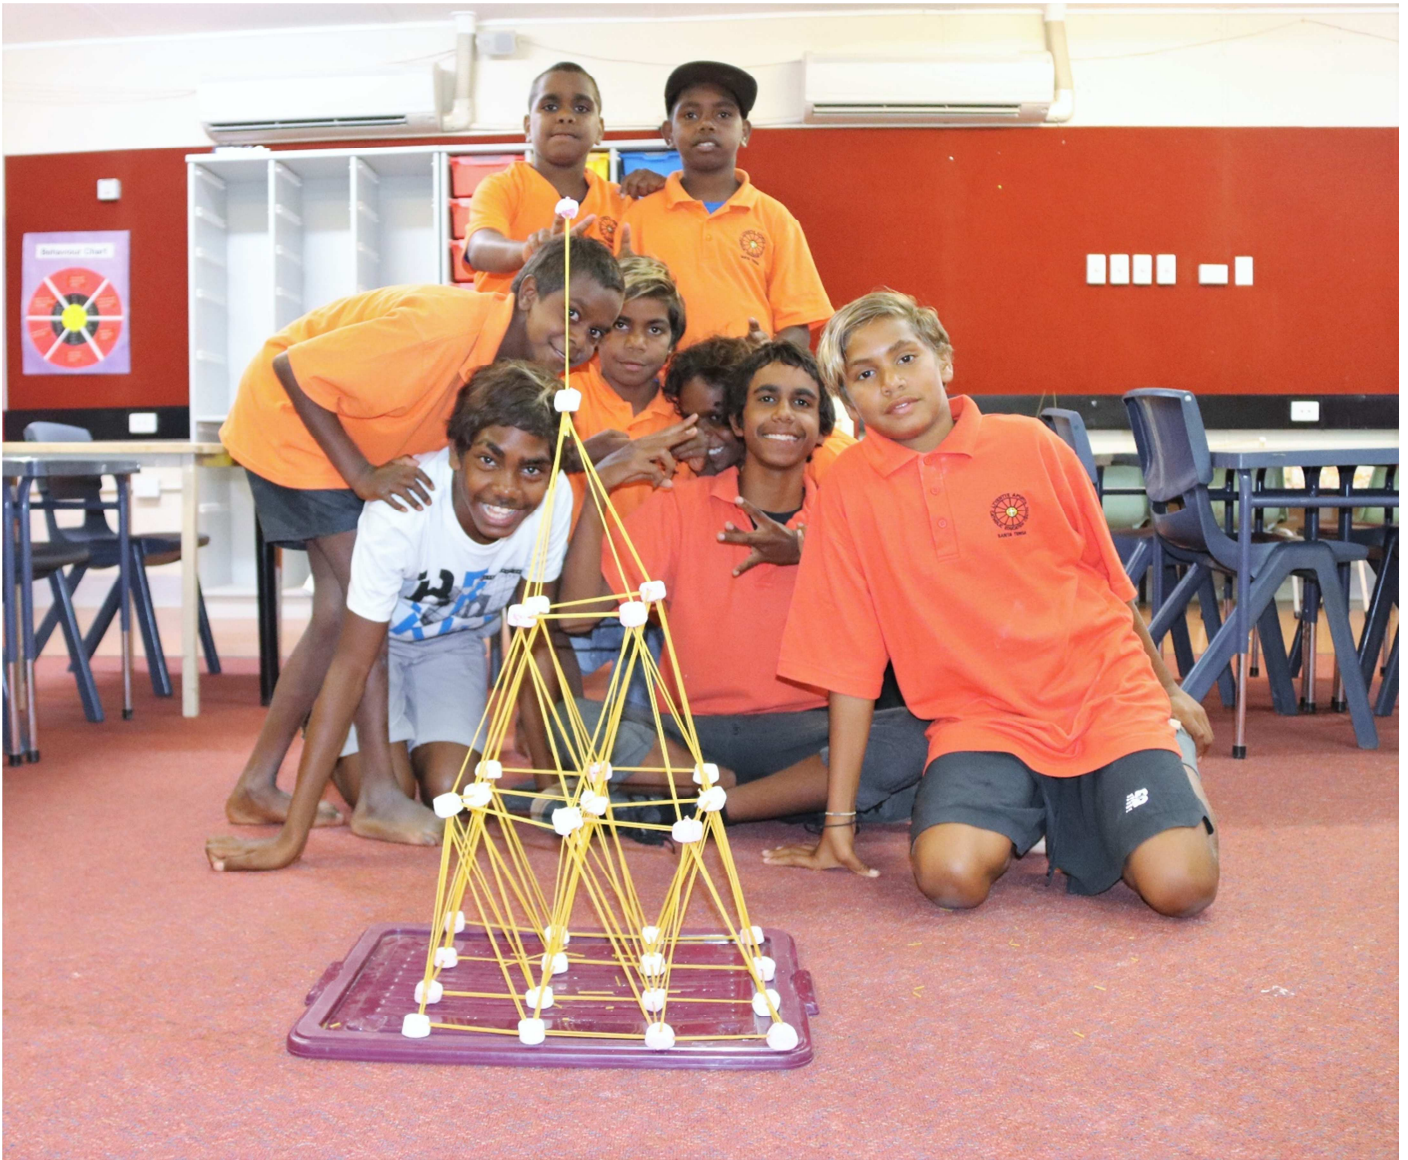

Justin is teaching Science, Technology and Maths to all classes this year. Our students are doing some amazing things such as robotics and engineering. Here are a few pictures from lessons so far.

Take care and have a lovely week being renewed by life giving rain and the kindness in our hearts.

God bless, Deb Madgen

Ltyentye Apurte Award Winners

**Congratulations to our award winners over the past two weeks.
They are strong, responsible and caring students.**
