Dear Families, Staff and Children,

This week we continue our Lenten journey. We are getting our hearts ready for Jesus who gave his life for us so that we might be able to live life to the full. We are thinking about ways we can share the love and kindness of Jesus in our community. Families have received Project Compassion boxes to collect donations for people who are less fortunate than ourselves.

Last week some Melbourne AFL players visited to teach us about healthy living by being clean and getting exercise. We learnt about preventing Trachoma by keeping our faces clean. We had a great day,  
God bless, Deb Madgen

Don't forget to keep collecting the Coles for Sport vouchers and putting them in the box in the Office!

Please return the two notes that have been sent home.

1. Sign the photo permission form if it is OK to publish your child's photo
2. Sign and return your Back to School Vouchers, which pay for your child's books, art and craft materials and excursions

---

We have registered for the Coles Sports for Schools, so please collect your vouchers and drop them into the box in the Office.

We hope we will have improved attendance this week now that Men's Business and the dancing is drawing to a close. Please make sure your children have the sleep they need to get ready for school. I will be in and out of Darwin for the next couple of weeks, but Justin and our amazing staff are always here for you.

Have a great week,  
God bless,  
Deb Madgen
