Dear Families, Staff and Children,

At Mass on Sunday we listened to a wonderful parable and homily from Fr Praksh about being people of hope. Just like we have to wait for the seed to grow and bear fruit, the kind acts we do for others will one day grow into something good. God has planted seeds of kindness, goodness, generosity, faith and hope in us. If we use those seeds everyday, they will grow.

Please pray for our students who are celebrating their First Communion this Sunday 24<sup>th</sup> June at 10am. They are

The Artist for our official logo is Amunda Gorey an Eastern Arrernte woman from Santa Teresa in Central Australia. "This painting tells the story of women paving the way, from all walks of life. Women within families, community, workforce, sporting clubs, politics. No dot stands out alone but each has their place, to create the whole painting/picture, creating the fabric of society. From a big sister being a good role model to a grandmother teaching her ways – because of her, we can!"
