Dear Families,
Our students had four lessons with the Royal Lifesaving Society last week. They learnt about water safety and improved their swimming strokes. Our teachers will continue the lessons on Thursdays. We have also booked the pool on Fridays and so students can come prepared for swimming on Fridays as well.

On the weekend we said farewell to eight students and three staff as they left for a week in Lorne, Victoria. We hope they enjoy fishing, surfing, snorkeling and all the other fantastic activities that have been planned. Special thanks to Katie Digiorgio and Georga Ryan for all their extra work in organising the trip. Thank you to AAAC who initiated the idea and provided the bulk of the funds. Once again, we are very appreciative of the wonderful support our school has received from AAAC.

Hampers: as you know we present hampers at the end of the year to each student. This year **only those students with over 50% attendance at school this Semester (Terms 3 and 4) will receive a hamper.** School attendance is crucial for your child's life opportunities and health outcomes. We will continue to introduce initiatives to encourage increased school attendance.

Ltyentye Apurte Catholic School Award winners. Keep being strong, caring and respectful!

On the back of this newsletter, you will find the Descriptors for all the subjects our students will be learning about this term. As you can see, there are lots of wonderful activities on offer. I hope you have a happy and peaceful week. God bless, Deb Madgen
