Dear Families,

This week is **National Reconciliation Week**. This special week is celebrated across Australia by all churches, schools, businesses and organisations. Our school, Ltyentye Apurte, focuses daily on being caring, respectful and strong. Students who act in this way are recognised each week at Assembly. Of course, day to day we see most students behaving this way. This week is an opportunity for us all – students, staff, families, and community, to make this week a special time for understanding one another and showing that we care and interact respectfully with all those we meet. In doing so, we become strong and like Jesus, accepting of all people. Anne Hazel

First Holy Communion will be celebrated on **Sunday 23rd June** at the **10 am** Mass. The program of preparation has begun for the **Year 4** students in Middle 1. Please let Anne know of any other students who need to prepare for and receive their first Holy Communion.

Look at all our amazing award winners! You are doing a great job at school.

Please Turn Over – Tidy Towns Community Celebration...

On Wednesday last week we held our community celebration for winning the national **Keep Australia Beautiful: Sustainable Communities - Tidy Towns Award** for 2019. Sustainable means we're improving and developing the community in a way that will continue... We're changing habits for the better – like putting rubbish in the bin rather than dropping it on the ground, introducing recycling and reducing waste. Wednesday was a proud day for Santa Teresa and we even made ABC National News! News of our success has reached hundreds of thousands of people all round Australia! Here are some pictures from the day.

Have a great week, everyone! God Bless. Deb
