Dear Families,

The first week of winter is also the time of St Marcellin's feast day, which is June 6<sup>th</sup>. It is a special day for our Marist Brothers, which we will celebrate at Assembly on Wednesday. St Marcellin Champagnat said we should love everyone and love them all equally. We ask St Marcellin to help each of us to be kind, helpful and loving towards others, especially those in our family. Marcellin taught about the importance of trusting Mother Mary. May we follow her way and be faithful to Jesus in everything we say and do. We also remember the Marist Brothers working here with us in Santa Teresa and all those Brothers who have supported the community in the past. We thank God and His Holy Mother Mary for sending people with generous hearts like St Marcellin to share the good news about Jesus with everyone. Anne Hazel

Last week fourteen students and twenty-seven staff received their First Aid Qualification.

Terrence and Jason received a blessing at Mass. They compete in Finke Desert Race this weekend. We wish them the very best of luck.

This week our students were awarded for showing our school values of strength, caring and respect.

They are also developing their spelling skills. Four Senior students completed the first module of the Construction course delivered by Bruce McEvoy.

**Mental Health Training for local aboriginal people will be held in the school's Staff Room on Tuesday, Wednesday and Thursday next week. All welcome. Have a lovely week, God bless, Deb**
