Dear Families,

School Enrolments and Attendance

Every year, schools across Australia have to tell the government how many students they have enrolled and attending. We call this the **AUGUST CENSUS**. It's done between <u>Monday 21st June to Friday 6th</u> <u>August</u> (20 school days in total).

Once we've done this, government works out how much money we need to teach the students we've got. The more students enrolled and attending Ltyentye Apurte Catholic School (LACS), the more money it gets. A lot of this is used to pay for teachers, assistant teachers and support staff.

LACS is the biggest employer in Santa Teresa. The jobs here depend on you sending your kids to school. IF families don't send their kids to school, we lose money and we have to let staff go... (so no jobs).

LACS will be doing the following to encourage school enrolment and attendance in Week 10 ($21^{st} - 25^{th}$ June) and Term 3, Weeks 1 – 3 (20^{th} July – 6^{th} August 2021):

	 FREE TRICKETS - Alice Springs Show: For students who come to school EVERY DAY in Wk. 10 (Monday 21st – Friday 25th June).
	• BBQ Breakfast: Every day while it's cold, JP will provide a hot BBQ breakfast to keep the students warm.
大文大大	• Morning Fitness Program: Every morning from 8:30 – 9:00 am, students warm up with sports including AusKick, skipping, chasing games (e.g. tails), relays, etc.
a the	• Athletics Carnival: For the whole school - early Term 3. Might be on the oval. Will include different races, relays, a long-distance run, Tug-of-War, etc.
	• Meat Packs: Students that come to school EVERY DAY will be entered into a raffle. Each week, several students / families will WIN a MEAT PACK to take home!
	• AFL Footy Colours Day: Early Term 3 we'll have an AFL Day with Tommy or Clint running competitions. Students to wear their AFL colours.
A Real Providence of the second secon	 Fun Fridays: We expect to see students EVERY DAY – including Fridays. On these days we'll have Lego, Art, Drumming, Movies, Pop-Corn, etc.

Please send your children to school. Education is important and jobs depend on it.
